“Creating a City of Lifelong Learners”

Christmas at the Library

Join Us for Our First Annual Christmas Party!

We are proud to announce that we will be having our first annual Christmas party at the library on Wednesday, December 18th, from 4:00PM to 7:00PM. Come celebrate the holiday season after work with seasonal music provided by professional singers and members of the North Chicago high school band, partake in a Christmas craft session at craft tables, wrap your presents at a gift-wrapping station, and enjoy light refreshments like hot cocoa, sparkling cider, and hors d'oeuvres. We will have a station where parents and children can decorate freshly baked cookies as well. Additionally, children can get their photo taken with Santa Claus or at a Christmas photo station. Each child who gets their photo taken with Santa may receive a free print of the photo on 4 x 6 glossy stock paper if they wish.

To build anticipation for the Christmas party, we have set up a station where children may write letters to Santa and “mail” them in our North Pole Post Box, located by the Reference desk. Santa will take all of the letters from the post box during the party. After writing their letters,

children may also play with our popular model train set, located directly next to the letters to Santa station. We hope to see you at the party!
